### Print at Home Instructions

- Print your tickets or vouchers in color or black and white on standard 8.5x11-inch plain white paper on your home printer. Each ticket or voucher should be treated like any other valid ticket or voucher.
- Bring your ticket or voucher to the cinema or box office.
- SIFF Cinema scans all tickets and vouchers using the barcode on each ticket.
- Print-At-Home tickets and vouchers are individually barcoded allowing one scan per use so any attempts to duplicate, alter or sell any copies of the Print-At-Home ticket may result in admittance being refused to the event. This provides heightened security by identifying counterfeit and stolen tickets and vouchers.

### Tickets

Seating is guaranteed until 10 minutes prior to the screening. No late seating

### Vouchers

Vouchers do not guarantee admission until redeemed for an actual ticket at the venue or SIFF Box Office. Vouchers can also be redeemed online at [siff.net](http://siff.net) or by phone at 206.324-9996 using the redemption code provided.
